ABOUT ME

People-oriented self-motivated individual that enjoys challenges and always gives the very best in every project, in order to fulfill, and excel in the duties as a developer.

WORK EXPERIENCE

Contract Job

Android Developer

(February 2021 - May 2021)

Worked in the refactoring of legacy code, as well, creating new features on the application **Magic 97.3** for the biggest radio station in Puerto Rico, with more than 10k downloads!

Stack:

- React Native (Expo)

Open Source Project

Full-stack Developer

(August 2021 - October 2021)

Contributed to the project **Dekoo** as both Frontend & Backend developer, creating reusable components, efficient APIs, and refactoring code.

Stack

- Next.js
- Tailwind
- MongoDB
- Nest.js

Freelance Job

Front-end Developer

(June 2021 - July 2021)

Created a responsive **website** for making appointments on the fly for Berlin covid test centers.

Stack

- React
- Strapi

Personal Project

Full Stack Developer

(April 2021 - May 2021)

Successfully created a **website** where it uses face recognition software with pictures that can easily be translated to other applications, and use cases.

Stack

- React
- PostgreSQL
- Node.js
- Express.js
